

# Summer Camp FAQs

## Staff to camper ratio?

We will have two staff per eight girls.

## Age of campers?

Girls attending camp need to be eight years old.

## Financial aid?

Yes there is financial aid on a first come first serve basis.

## Half days or partial weeks?

We do not offer any partial days or weeks as the girls will get behind in their projects.

## Is there any special clothing the girls need to wear?

Sneakers are best over sandals and nothing that will hang in the way, such as long jewelry, scarves, etc. Main concern is that their hair is tied up out of the way when they arrive.

## Do the girls need to bring lunch or snacks?

The girls are required to bring snacks and lunches.

## Do the girls keep masks on and socially distance?

Anyone in the building will be required to wear masks at all times and remain socially distanced. Our team will all be fully vaccinated but will also wear masks and remain socially distanced. All snack breaks and lunch times will be outside under tents, at which times all masks will be removed. Social distance will continue outside.

## Do the girls have access to water?

We will give each girl a water bottle and they can fill it at the water fountain that is touchless. They will keep their water bottles in their lockers and we will have periodic water breaks.

## Do the girls need to have sunscreen?

The majority of our time will be spent indoors. Lunch and snack times will be outdoors under tents and Friday will be mostly spent outdoors under tents. You are welcome to send sunscreen along that they can keep in their lockers.

## Drop off/pickup schedule:

Drop off is 7:45a.m. at the earliest. Pickup is 4:15 at the latest. Any pickups later than 4:30 will be billed at the end of the week at a rate of \$15.00 per ten minutes.
