

# Girls at Work Summer Camp 2022

## What are the program hours? When is drop off/pickup?

We have structured programming between 9 am and 4 pm when the girls will be wood working and learning about science and nature. You can drop off your child as early as 8 am and pick them up as late as 5:30 pm at our shop at 200 Bedford St. We will have crafts/activities/games for the girls to do outside of the regular program hours.

## Is transportation provided?

We are offering transportation to those that need it. We will be picking up girls from a designated school each week and will return them to the school after the program ends at 4 pm. Pickup will be between 8:00-8:45 am and drop off will be between 4:15-5:00 pm. You will be required to stay with your child until they are picked up and be there when your child is dropped off at the end of the day as there will not be anyone at the schools to supervise. Specific times will be determined based on how many girls require transportation and will be communicated to parents before that week's camp begins. The schools we will be picking up at each week are:

Week 1: June 27<sup>th</sup> – July 1<sup>st</sup> – Beech Street School

Week 2: July 11<sup>th</sup> – July 15<sup>th</sup> – Northwest School

Week 3: July 18<sup>th</sup> – July 22<sup>nd</sup> – Highland Goffe's Falls School

\*Week 4: July 25<sup>th</sup> – July 29<sup>th</sup> – McDonough School

Week 5: Aug 1<sup>st</sup> – Aug 5<sup>th</sup> – Bakersville School

Week 6: Aug 8<sup>th</sup> – Aug 12<sup>th</sup> – Parker-Varney School

\*Week 7: Aug 15<sup>th</sup> – Aug 19<sup>th</sup> – Green Acres School

## Age of the campers?

This camp is for girls between the ages of 8-14.

\*We are offering special Middle School Sessions during Week 4 and Week 7.

## Half days or partial weeks?

We do not offer half days or partial weeks as girls will fall behind on their projects.

## Do the girls need to bring lunch or snacks?

Yes, please pack a lunch and make sure it can be stored separately in their lockers, without need for refrigeration or a microwave. Lunches and snacks can be provided to those that qualify.

## Do the girls have access to water?

We will give each girl a water bottle that they can fill it at our touchless water fountain. They will keep their water bottles in their lockers and we will have periodic water breaks.

## Is there any special clothing the girls need to wear?

Comfortable closed toed shoes like sneakers are best over sandals and nothing that will hang in the way, such as long jewelry, scarves, etc. Main concern is that their hair is tied up out of the way when they arrive. They will also need to wear masks indoors at all times, except when eating.

## Do the girls need to have sunscreen?

The majority of our time will be spent indoors, however children's skin is more sensitive to sunlight and we will be working on some projects outside. We ask that you please apply sunscreen before they arrive. You are also welcome to send sunscreen that they can keep in their lockers so they can reapply later in the day.
