

## Girls at Work Sponsorship Opportunities

Many thanks for the consideration of supporting our mission of empowering girls! Since our founding, we have involved over 15,000 local girls, many of whom would not be able to partake in this empowering experience without our generous friends. **Actually, nearly 95% of our girls need full or partial scholarship assistance to partake in our programs.** The bundle sponsorship concept is our attempt to combine all our requests into a single, significant pledge/gift to Girls at Work for the year by our most generous supporters. **100% of the proceeds from your support will directly benefit the girls in our programs and activities.**

Below are a few ideas to consider:

### **2022 Silver Sponsor - \$5,000**

- Your grant or gift provides **Shaker Peg Board builds for 100 local girls** who would not otherwise be empowered in our workshops or a **Team Build for up to 20 employees** in our workshops.
- Lists your company as a **Silver Sponsor at all our events in 2022.**
- Also provides your **gift to our annual fund** to provide scholarships to girls in need, support our operations, and purchase building supplies.

### **2022 Bronze Sponsor - \$2,500**

- Your grant or gift provides **Shaker Peg Board builds for 50 local girls** who would not otherwise be empowered in our workshops.
- Lists your company as a **Bronze Sponsor at all our events in 2022.**
- Also provides your **gift to our annual fund** to provide scholarships to girls in need, support our operations, and purchase building supplies.

### **2022 Camp Sponsor - \$1,000**
