

Sponsorship Opportunities

Many thanks for the consideration of supporting our mission of empowering girls! Since our founding, we have built the confidence of over 15,000 local girls, many of whom would not be able to partake in this empowering experience without our generous friends. **Nearly 95% of our girls need full or partial scholarship assistance to partake in our programs.** The bundle sponsorship concept is our attempt to combine all our requests into a single, significant pledge/gift to Girls at Work, Inc. for the year. 100% of the proceeds from your support will directly benefit the girls in our programs and activities. Below are a few ideas to consider:

Silver Sponsor - \$5,000

- Your gift provides **Shaker Peg Board builds for 100 local girls or a Picnic Table Team Build for up to 15 employees in our workshops.**
- Lists your company as a **Silver Sponsor of all our events for a year.**
- **Provides the opportunity for a “big check” presentation.**
- Also provides your **gift to our annual fund** to provide scholarships to girls in need, support our operations, and purchase building supplies.

Bronze Sponsor - \$2,500

- Your gift provides **Shaker Peg Board builds for 50 local girls or a Charcuterie Board Build for up to 10 employees in our workshops.**
- Lists your company as a **Bronze Sponsor of all our events for a year.**
- Also provides your **gift to our annual fund** to provide scholarships to girls in need, support our operations, and purchase building supplies.

Camp Sponsor - \$1,000

- Your gift will **send 3 lucky inner-city girls to our *Build Me Up Summer Camp*.**
- Lists your company as a **Camp Sponsor for a year.**

Thank you for your consideration. These opportunities may be paid in installments, with full payments of any pledge due by June 30th. If you have any further questions, please let us know - we'll gladly create a custom package for your specific interests.

Our goal is a world where every girl feels confident and capable!
