

## Team Build Sponsorship Opportunities

Many thanks for your consideration of supporting our mission of empowering girls! Since our founding, we have involved over 20,000 local girls, many of whom would not be able to partake in this empowering experience without our generous friends. Nearly 95% of our girls need full or partial scholarship assistance to participate in our programs. Team builds are an excellent way to support these girls in need.

The “team build bundle sponsorship” is how we combine all our requests into a single, significant pledge/gift to Girls at Work for the year by our most generous supporters. **100% of the proceeds from your support will directly benefit the girls in our programs and activities.**
