

## Sponsorship Opportunities

Many thanks for the consideration of supporting our mission of empowering girls! Since our founding, **we have built the confidence of over 20,000 local girls**, many of whom would not be able to partake in this empowering experience without our generous friends. **Over 90% of our girls need full or partial scholarship assistance to partake in our activities and programs.** The bundle sponsorship concept is our attempt to combine all our requests into a single, significant pledge/gift to Girls at Work, Inc. for the year. 100% of the proceeds from your support will directly benefit the girls in our programs and activities. Below are a few levels to consider:

### Camp Sponsor - \$1,000

- Provides **10 partial Summer Camp scholarships** to girls/families in need
- Lists your company/organization as a **Girls at Work, Inc. Sponsor for one year**
- Opportunity for a **“big check” presentation** promoted to our nearly 20,000 social media followers

### Middle School Build Sponsor - \$500

- Provides **full scholarships to 6 local girls/families in need** to attend a middle school team build
- Lists your company/organization as a **Girls at Work, Inc. Sponsor for one year**

### Shaker Peg Board Sponsor - \$250

- Covers the **full cost for 7 local girls/families in need** to build (and bring home) a Shaker Peg Board
- Lists your company/organization as a **Girls at Work, Inc. Sponsor for one year**

We also offer sponsorship levels at higher levels, some of which include corporate team build opportunities in our workshops, social media recognition and cross tagging, and more. All sponsorships may be paid in installments. If you have any further questions, please let us know; we can also create a custom package tailored to your specific interests.

***Our goal is a world where every girl feels confident and capable***
